

A vertical strip of five black and white photographs showing different views of the Space Shuttle Challenger during its ascent. The top photo shows the shuttle from a low angle, looking up at the orbiter and external tank. The second photo shows the shuttle from a side-on perspective, highlighting the external tank and solid rocket boosters. The third photo shows the shuttle from a low angle, similar to the first. The fourth photo shows the shuttle from a side-on perspective, similar to the second. The bottom photo shows the shuttle from a low angle, with the orbiter clearly visible against the sky.
